'..Floral nose with a spicy lift leading to a palate loaded with vibrant, peppery fruits and supported by a long, supple tannic backbone and some very good oak..'

Winestate Magazine, March/April 2011

'..A big colour. It's a little more spicy with a fruit, plum drive on the nose. The palate is showing signs of elegant white pepper drive. With food the pepper spice works really well..'

Mark Robertson, Judges comments, 2011 Sydney International Wine Competition

'..Attractive, rich nose. A very strong colour. A nice wine. Rich, full and concentrated. Strong oak presence..'

Warren Gibson, Judges comments, 2011 Sydney International Wine Competition
