'..The 2010 Chapter 3 Shiraz was co-fermented with 5% Viognier and aged in French oak puncheons for 12 months. It gives a medium to deep garnet-purple color and aromas of kirsch, creme de cassis, baking spices, potpourri, mulberries and black pepper. Full-bodied with plenty of ripe, spice blackberry flavor, it has a good backbone of crisp acid and medium level of velvety tannins, finishing long with some vanilla coming through. Delicious now, it should keep to 2016+..'
