## 2010 CABERNET MERLOT

### AWARDS & ACCOLADES

---

#### 90 Points

*'..Light, bright purple-red; if you really wish to taste (and drink) cabernet merlot, and are happy with a light-bodied wine, you can't miss this. Its red berry fruit is the core, but there are slightly savoury foresty characters to take the wine into light food territory. And you don't have to wait for it, least of all cellar it.. Drink by 2013..'*
