WINEMAKING

Winemaking note

This wine was crafted from 90% Chardonnay and 10% Pinot Noir grapes. Grapes were picked and crushed during the cool of night to retain their fresh, varietal flavours. The juice was then divided into select parcels. Each parcel underwent a different treatment such as malolactic fermentation or spending an extended period on yeast lees. Each treatment resulted in an individually flavoured parcel of wine, and the unique character and personality of the final blend is a result of the special handling of these separate parcels.

Varietal composition 90% Chardonnay, 10% Pinot Noir

Alcohol 12%
