Food Recommendations

A super food friendly wine which pairs perfectly with seafood - try with seared scallops, grilled lobster or a creamy linguine with prawns.

WINEMAKING

Winemaking note

This wine was made from a blend of fruit grown in vineyards grown along the Murray River. Following delivery and crushing of the grapes during the cool of the night, the Sauvignon Blanc juice was cold settled and racked. An aromatic yeast was used for inoculation and this parcel was cool fermented for 14 days. The resulting wine is fresh and vibrant showing lovely tropical fruit flavours with a hint of typical herbaceous Sauvignon Blanc characters.

Varietal composition 100% Sauvignon Blanc

Alcohol 11.5%

Winemaker Jo Nash and Olivia Forbes
