WINEMAKING

Winemaking note

The fruit for our Bella Luna Fiano was grown in our vineyards in the Goulburn Valley, one hour's drive north of Melbourne. This region has long, baking, sunny days and mild evening temperatures - perfect for the growing of great Fiano. The grapes were harvested during the cool of the night to maintain fruit freshness. The wine was barrel fermented in various parcels, with extended lees contact to build structure yet retain good fruit balance.

Varietal composition 100% Fiano

Alcohol 11.5%
