WINEMAKING

Winemaking note

This wine is sourced from grapes grown in our Goulburn Valley vineyards, based in the region of Central Victoria. The parcels of fruit were harvested separately over a three week period in March. Picking and crushing was during the cool of the night to maintain fruit freshness. Fermentation at cool temperatures for 14 days in stainless steel fermenters has helped enhance the pure, fresh clean flavours.

Varietal composition 100% Riesling

Alcohol 12.5%

Residual Sugar 2.11 g/L
