WINEMAKING

Winemaking note

The fruit for the Laneway Vermentino was grown in our northern Victorian vineyards. This region has long, baking, sunny days and mild evening temperatures - perfect for the growing of great Vermentino. The grapes were harvested during the cool of the night to maintain fruit freshness. The wine was barrel fermented in various parcels, with extended lees contact to build structure yet retain good fruit balance.

Varietal composition 100% Vermentino

Alcohol 13.0%
