

MCPHERSON

FAMILY VINEYARDS

Pinot Grigio | 2023

Murray Darling, NSW

The beautiful Bella is one of the growing tribe of McPherson grandchildren. Her whimsical nature combined with a steely determination enchants us all. This combination of strength and fancy is what draws us to the beauty of our Pinot Grigio.

TASTING NOTES

Colour

Pale, straw colour with some golden hues.

Nose

Hints of honeysuckle and apple.

Palate

Fresh, fruit driven wine with slightly savoury flavours and notes of pear and citrus.

Best consumed

Now - 2027

Food Recommendations

Our clean and fresh Pinot Grigio pairs beautifully with anything from the sea as well as modern Australian dishes. Think Asian salads, fish tacos, textural light pasta and vegetarian Pad Thai.

WINEMAKING

Winemaking note

Fruit for the Pinot Grigio was picked from our vineyards in New South Wales. The juice was run off the skins early, in order to extract only the perfect amount of colour and then inoculated and fermented cool. This allowed the retention of the summer berry characters, as well as retaining colour and intensity. Post fermentation the wine was fined, cold stabilised and filtered, ready for bottling. The entire process from juice to bottle was less than ten weeks, keeping the wine fresh and vivacious.

Varietal composition 100% Pinot Grigio

Alcohol 12%

Winemaker Jo Nash and Olivia Forbes
