

MCPHERSON

FAMILY VINEYARDS

Pinot Grigio | 2019
SOUTH EASTERN AUSTRALIA

The beautiful Bella is one of the growing tribe of McPherson grandchildren. Her whimsical nature combined with a steely determination enchants us all. This combination of strength and fancy is what draws us to the beauty of our Pinot Grigio.

TASTING NOTES

Colour

Pale, straw-like colour with some golden hues.

Nose

Hints of honeysuckle and apple.

Palate

Fresh, fruit driven wine with slightly savoury flavours of pear and citrus.

Best consumed

Now - 2023

Food Recommendations

Easy drinking with low alcohol and a slight spritz on the palate, our Moscato is perfect for a Sunday afternoon tittle. Served chilled with lime and mint at a garden party, or it partners beautifully with a spicy Asian curry or Thai salad.

WINEMAKING

Winemaking note

Fruit for the Pinot Grigio was picked from our vineyards based in the Murray Darling. The juice was run off the skins early, in order to extract only the perfect amount of colour and then inoculated and fermented cool. This allowed the retention of the summer berry characters, as well as retaining colour and intensity. Post fermentation the wine was fined, cold stabilised and filtered, ready for bottling. The entire process from juice to bottle was less than ten weeks, keeping the wine fresh and vivacious.

Varietal composition 100% Pinot Grigio

Alcohol 11.5%

Winemaker Jo Nash
