## WINEMAKING

**Winemaking note**  
The grapes for this Cabernet were picked and crushed during the cool of night, thus ensuring the retention of varietal character, while modern winemaking techniques were employed throughout, all of which help to create the signature McPherson Cabernet style. Fermentation took place in sweeping arm red fermenters, giving the wine a denser, richer colour and allowing for gentle flavour extraction. Softer tannins are also a result of this process, while careful attention was paid to the oak selection for the Cabernet. This wine was aged on French oak for approximately 8 months, giving the wine a noticeable, but not an excessive, oak influence. The inclusion of some central Victorian fruit into the blend has boosted both the colour and the intensity of flavour.

**Varietal composition** 100% Cabernet Sauvignon

**Alcohol** 14.0%

**Winemaker** Jo Nash
