WINEMAKING

Winemaking note

The fruit for the Sunburnt Chardonnay was grown in our vineyards in the Goulburn Valley. This region has long, baking, sunny days and mild evening temperatures - perfect for the growing of great Chardonnay. The grapes were harvested during the cool of the night to maintain fruit freshness. The wine was barrel fermented in various parcels, with extended lees contact to build structure yet retain good fruit balance.

Varietal composition 100% Chardonnay

Alcohol 13.5%

Winemaker Jo Nash and Olivia Forbes
