WINEMAKING

Winemaking note

Fruit for our Three Vineyards Cabernet Sauvignon was harvested from three vineyard sites, each adding a different dimension to the final blend. Each vineyard parcel of wine was separately aged on French oak for eight months. Final blending of the three vineyard grapes is where the much of the magic takes place - each component chosen for its ability to elevate the final blend, making a beautifully balanced, easy drinking, delicious combination of grapes grown in three of our best vineyards.

Varietal composition 100% Cabernet Sauvignon

Alcohol 14.5%
